## Pope Fastpitch Community Member:

The Pope Fastpitch program has worked tirelessly to build, sustain, and strengthen the athletic experience for our players, our school, and our community. In the past 14 seasons (since fall of 2012), Our program has amassed 391 wins, 11 trips to the “Elite Eight” tournament in Columbus, Georgia (a county best), 10 Final Four appearances, 7 state championship game appearances, and 3 state championship titles in 2014, 2019, and 2022. At the regional level, Pope has won 8 region championships in the past 14 years. Our JV program continues to grow and achieve victories, setting a program JV win record in 2024, with 18 total wins in their 20 game season. The Pope fastpitch metro program (grades 5-8) has sustained success over the past years, with both our silver and gold teams reaching the league playoffs and our gold team ending as Cobb County runner up in 2025. The varsity, junior varsity, and metro programs have built athletes of high caliber and high character thanks to the opportunities the program provides.

Individual honors for the program in its rich history include 37 players going on to play at the collegiate level, 40 GACA All-state players, 6 state player of the years, 5 state pitchers of the year, most recently in 2023, and 1 National player of the year. A Pope fastpitch alum was previously named USA Today High School Player of the year, a member of USA Softball, and an ESPY winner for ESPN’s Best Female College Athlete. 108 players have been named to all-region teams all-time, with 7 player of the year and 9 pitcher of the year awards.

The opportunities provided to the Pope fastpitch players are possible thanks to gracious community sponsors who value our players and our program. With a proven record of success, we are honored by your interest in the Pope fastpitch program. Participation from community business owners like you is vital to the success of our program and the opportunities provided for our young women student-athletes. Sponsorship of the Pope fastpitch program is a great way to promote your business while supporting local student-athletes. The members of the Pope fastpitch community support the local businesses in the Pope area every day. We appreciate and show support for the businesses that sponsor Pope athletics.

The Pope Athletic program serves hundreds of devoted student-athletes in the sports programs. Continued support from our sponsors enables all students in our school to be members of the Pope sports teams. Taking part in team sports teaches our athletes lessons beyond the playing field by promoting responsible social behaviors, academic success, confidence in oneself, an appreciation of personal health and fitness, strong social bonds with individual, strong connections to a program, and memories to last a lifetime. We value your support in providing athletes a platform to learn and grow in these aspects of life.

This letter provides general information about Pope High School, the athletic programs, an overview of sponsor benefits, and the various sponsorship opportunities available with the Pope fastpitch program. Any level of participation is greatly appreciated and helps Pope High School continue to serve its students and community. Pope Fastpitch remains determined to bring pride to the entire community in how we compete and serve others.
