Vision

Pope Fastpitch is one of the most successful and respected softball programs in the state of Georgia. Pope consistently strives and competes for championships at the region and state level while consistently qualifying for the state playoffs each season. Pope Fastpitch players and coaches are fully dedicated to respecting the game of softball, officials, opponents, and opposing fans by modeling humility and fair play in their pursuit of excellence on the field.

Pope Fastpitch strives to be the most challenging game on an opponents schedule year in and year out. Pope will earn this reputation by being relentlessly competitive during games and we will foster this competitiveness by holding one another accountable to standards that will generate successful results not only on the playing field, but also in the classroom and workplace.

Pope Fastpitch represents our school, community, teammates, coaches, and families with pride and integrity. Competing for Pope is a tremendous opportunity and we enjoy competing together, being part of a team and knowing that our combined efforts will achieve something greater than we could ever achieve on our own. The expected standards of conduct that Pope Fastpitch embraces teaches lessons of not only how to succeed on the playing field, but more importantly, how to properly work in a team environment and how to embrace decision making processes which will lead to success in all aspects of educational, personal, and professional life. Pope Fastpitch players will give their 100% effort in all activities they partake in, both on the field and off the field and Pope Fastpitch players will conduct themselves with character and integrity at all times.

Pope Fastpitch is a well respected program in the Pope High school community and we value our role as leaders on campus by acting in leadership roles in the classroom and in the Pope community. We consider it an honor to wear the Greyhound uniform and we seek to give back to the larger Pope community by both supporting our fellow Pope athletes through attendance at their events as well as giving back to the community through community service projects. Servant leadership is our mantra at Pope and we strive to treat the Pope community the way we would want to be treated in all situations we encounter.

We understand that effectively managing setbacks as well as working together as a team are skills that must be learned and nurtured. To help us properly learn to deal with our setbacks and to help us properly unite as a team with the family atmosphere we work to create on a daily basis, Pope Fastpitch enjoys the most supportive fan base and parental support organization in the state. Our coaches, players, administration and fan support and behavior are second to none!

Our fan base realizes that they are the difference between a championship season and a missed opportunity and to help the program achieve their goals, Pope Fastpitch fans will seek to cheer on Pope players and coaches and applaud them for their effort and intensity as well as minimizing negative talk about our team and players in the stands at the ball field.
