Pope Fastpitch Community Member:

The Pope Fastpitch program has worked tirelessly to build, sustain, and strengthen the athletic experience for our players, our school, and our community. In the past 12 seasons (since fall of 2012), Our program has amassed 355 wins (a county best), 11 trips to the “Elite Eight” tournament in Columbus, Georgia (a county best), 10 Final Four appearances, 7 state championship game appearances, and 3 state championship titles in 2014, 2019, and 2022. At the regional level, Pope has won 8 region championships in the past 12 years, including 7 consecutive region championship nods in the past 7 seasons. Our JV program continues to grow and achieve victories, setting a program JV win record in 2018, with constant strong seasons. The Pope fastpitch metro program (grades 5-8) has sustained success over the past years, with 3 teams competing in the Cobb County Metro league and most recently our “silver” team winning the 2022 league championship and our “gold” team winning the 2023 league championship. The varsity, junior varsity, and metro programs have built athletes of high caliber and high character thanks to the opportunities the program provides.

Individual honors for the program in its rich history include 32 players going on to play at the collegiate level, 40 GACA All-state players, 6 state player of the years (including the most recent in 2021 and 2022), 5 state pitchers of the year, most recently in 2023, and 1 National player of the year. A Pope fastpitch alum was previously named USA Today High School Player of the year, a member of USA Softball, and an ESPY winner for ESPN’s Best Female College Athlete. 95 players have been named to all-region teams all-time, with 7 player of the year and 9 pitcher of the year awards.

The opportunities provided to the Pope fastpitch players are possible thanks to gracious community sponsors who value our players and our program. With a proven record of success, we are honored by your interest in the Pope fastpitch program. Participation from community business owners like you is vital to the success of our program and the opportunities provided for our young women student-athletes. Sponsorship of the Pope fastpitch program is a great way to promote your business while supporting local student-athletes. The members of the Pope fastpitch community support the local businesses in the Pope area every day. We appreciate and show support for the businesses that sponsor Pope athletics.

The Pope Athletic program serves hundreds of devoted student-athletes in the sports programs. Continued support from our sponsors enables all students in our school to be members of the Pope sports teams. Taking part in team sports teaches our athletes lessons beyond the playing field by promoting responsible social behaviors, academic success, confidence in oneself, an appreciation of personal health and fitness, strong social bonds with individual, strong connections to a program, and memories to last a lifetime. We value your support in providing athletes a platform to learn and grow in these aspects of life.

Thank you for your interest in sponsoring the Pope Fastpitch Program! Any level of participation is greatly appreciated and helps Pope High School continue to serve its students and community. Pope Fastpitch remains determined to bring pride to the entire community in how we compete and serve others.

Please contact Dan Paley at d_paley@yahoo.com or 570-574-3751 to learn more about the opportunities available or to sign up. *The Pope Fastpitch Softball Booster Club is a 501(c)(3) tax-exempt, charitable organization.*

Sincerely,

The Pope Fastpitch Booster Club Board and Ellie Viland, Head Coach
